

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: April 21, 1995

SUBJECT: **SB 1639 - HB 1589**

This bill, if enacted, will establish a special account to be known as the "Special Events Passenger Train Account" to be used to fund a special passenger train and train route during special state and national events. All monies in such account shall not revert to the general fund on any June 30 but shall remain available until expended. The treasurer is authorized to accept and deposit into such fund any state appropriations, private contributions, corporate contributions, federal funds, local government funds any other funds necessary to fund the implementation and operation of such special train.

The fiscal impact from enactment of this bill is estimated to result in an increase in state revenue and an increase in state expenditures, to the extent the fund is expended; however, such increase in state revenue and state expenditures cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
